

OUTGOING CORRESPONDENCE

17 October 1960

Dr. Burton W. Adkinson
Head
Office of Science Information Service
National Science Foundation
Washington 25, D.C.

Dear Burt:

Your note of 12 October 1960 in which you nominated Paul S. Feinstein as the NSF representative on PROCID vice Scott Adams has been received with great pleasure here. Scott has done a good job representing your organization, and we are pleased that he will be the National Library of Medicine representative now.

As for Paul - we have worked with him in many contexts over the past years and found him very helpful. I am indeed pleased that you selected him to succeed Scott Adams.

Sincerely,
